The **insurer** will pay for the cost of any emergency treatment or hospital treatment which **you** incur under the UK **Road Traffic Acts** for injuries arising out of any accident involving any car which this **policy** covers. If this is the only payment made, it will not affect **your** no claim discount.

2 Damage to the car

What is covered under this section

This section provides **you** with cover for loss or damage to **the car** and its **accessories** caused by accidental or malicious damage, or vandalism.

The **insurer** will decide either to;

- repair the damage themselves; or
- pay to have the damage repaired; or
- pay to replace what is lost or damaged if this is more cost effective than repairing it; or
- pay **you** an amount equal to the loss or damage.

If to the **insurer's** knowledge **the car** is the subject of a hire purchase or leasing agreement, the **insurer** may, in the event of **the car's** total loss or destruction, pay the hire purchase or leasing company directly for the loss or damage to the vehicle.

If the **insurer's** estimate of the **market value** is more than the amount owed any balance will be paid to **you**. If the **insurer's** estimate of the **market value** is less than the amount owed you may have to pay the outstanding balance.

By purchasing this **policy** **you** agree that the **insurer** can handle **your** claim in this way.

The **insurer** will also arrange and pay reasonable costs for the protection, removal and storage of **the car** and delivery after repair to **your risk address**.

The **insurer** may use warranted replacement parts or recycled parts which are not supplied by the manufacturer of **the car** but will be of a similar standard. If suitable replacement parts are not available the **insurer** will pay the manufacturer's last list price.

The **insurer** will not pay more than the **market value** of **the car** at the time of the loss unless the new car benefit applies.

New car benefit

The **insurer** will replace **the car** with one of the same make, model and specification if;

- the loss or damage happens within twelve months from the date **the car** was first registered; and
- **you**, or **your partner**, are the first and only registered keeper of **the car** (or the second registered keeper if the first registered keeper is the manufacturer or supplying dealer and the delivery mileage is under 250 miles); and
- **you**, or **your partner**, have owned **the car** (or it has been hired to **you**, or **your partner**, under a hire purchase or leasing agreement) since it was first registered as new (or **you** are the second owner if the first owner is the manufacturer or supplying dealer and the delivery mileage is under 250 miles); and
- the cost of repair is valued at more than 60% of the cost of buying an identical new car at the time of the loss or damage (based on the United Kingdom list price); and
- **the car** was supplied as new from within the **territorial limits**.

In these circumstances, if **you** ask the **insurer** to, they will replace **the car** (and pay reasonable delivery charges) with a new car of the same make, model and specification.

The **insurer** can only do this if a replacement car is available in the **territorial limits** and anyone else who has an interest in **the car** agrees.

If a replacement car of the same make, model and specification is not available, the **insurer** will, where possible, provide a similar car of identical list price.

If this is not acceptable to **you**, the **insurer** will not pay more than the **market value** of **the car** at the time of the loss.

Car audio, navigation and entertainment equipment

The **insurer** will also cover the cost of replacing or repairing **the car's** audio, navigation and entertainment equipment up to the following amounts:

- unlimited for equipment fitted as original equipment by the manufacturer; or

The **insurer** will arrange for one of their repairers to contact **you** to arrange to collect **the car**. Repairs made by the **insurer's** recommended repairers are guaranteed for three years.

At **your** request, **you** can arrange for a repairer of **your** choice to carry out the repairs. **You** must send the **insurer** at least two detailed repair estimates as soon as reasonably possible. The **insurer** will only be liable for the repair costs at a non-recommended repairer if the **insurer** has agreed that the costs are reasonable and the **insurer** has issued an authorisation to the repairer. The **insurer** may need to inspect **the car**.

The **insurer** reserves the right to ask **you** to obtain alternative estimates and the **insurer** may not pay **you** more than their recommended repairer would have charged them for the repair of **the car**.

Courtesy cars

This **policy** also covers loss or damage to any courtesy car the **insurer's** recommended repairer provides to **you** while any damage to **the car** is being repaired. The provision of a courtesy car is subject to availability and the recommended repairers terms and conditions. In addition, the terms, conditions and **excesses** of **your policy** remain in force for the courtesy car.

If the provision of a courtesy car is available, the **insurer's** recommended repairer will not be obliged to arrange a replacement vehicle any larger than a small hatchback, typically with a 1 liter engine capacity. If **you** wish to upgrade to any other vehicle, the cost of the upgrade will be **your** responsibility.

3 Fire and theft

What is covered under this section

This section provides **you** with cover for loss or damage to **the car** and its **accessories** caused by fire, theft or attempted theft.

The **insurer** will decide either to;

- pay to have the damage repaired; or
- pay to replace what is lost or damaged if this is more cost effective than repairing it; or
- pay **you** an amount equal to the loss or damage.

If to the **insurer's** knowledge **the car** is the subject of a hire purchase or leasing agreement, the **insurer** may, in the event of **the car's** total loss or destruction, pay the hire purchase or leasing company in the first instance.

If the **insurer's** estimate of the **market value** is more than the amount owed any balance will be paid to **you**. If the **insurer's** estimate of the **market value** is less than the amount owed **you** may have to pay the outstanding balance.

- **you**, or **your partner**, are the first and only registered keeper of **the car** (or the second registered keeper if the first registered keeper is the manufacturer or supplying dealer and the delivery mileage is under 250 miles); and
- **you**, or **your partner**, have owned **the car** (or it has been hired to **you**, or **your partner**, under a hire purchase or leasing agreement) since it was first registered as new (or **you** are the second owner if the first owner is the manufacturer or supplying dealer and the delivery mileage is under 250 miles); and
- the cost of repair is valued at more than 60% of the cost of buying an identical new car at the time of the loss or damage (based on the United Kingdom list price); and
- **the car** was supplied as new from within the **territorial limits**. In these circumstances, if **you** ask the **insurer** to, they will replace **the car** (and

The **insurer** can only do this if a replacement car is available in the **territorial limits** and anyone else who has an interest in **the car** agrees. If a replacement car of the same make, model and specification is not available, the **insurer** will, where possible, provide a similar car of identical list price. G Data protection notice

Who is processing your data?

We are BISL Limited, we arrange and administer M&S car insurance and we are the data controller of the personal data that you provide and/or that we collect from you. This means that we are the company responsible for deciding how your data is processed.

BISL Limited is part of the Markerstudy Group and provides products and services under various brands. If you want to know more about the Markerstudy Group and the brands that BISL operates you can find out more at www.bglininsurance.co.uk.

We will share data relating to your quote or policy with Marks and Spencer Financial Services Plc who will also be a data controller of this data. You can read further information about how M&S Insurance processes your data by reading their Privacy Policy at <https://bank.marksandspencer.com/>.

Car Insurance

To provide you with car insurance, we need to share your data with the insurers we work with. This is to allow the insurers to consider your application for insurance and to allow them to deal with any claims you make on your insurance policy. The insurers will also be data controllers in relation to the data they receive from us and any additional

data the insurer may collect about you when dealing with a claim. This means that the insurers are in charge of how they handle your data and we are not responsible for this.

Your insurer is set out in your Schedule of Insurance. When you choose to add an additional product to your insurance policy, such as breakdown cover, we will also need to share your data with the supplier of the additional product to allow it to be provided.

You can find further information in the terms and conditions for each additional product.

If you pay for your policy by monthly instalments you will be taking out a credit agreement. Data relevant to your credit agreement will be shared with your credit provider. Your credit provider will also be a data controller of this data and will be responsible for how that data is processed. The credit providers that we work with are BFSL Limited (which is part of the Markerstudy Group and which provides credit arrangements on our behalf) and Aviva. The details of your credit provider can be found on your credit agreement.

If you purchase a policy via a cash back site, some data may also be shared in relation to this for example to confirm your purchase. For more information you'll need to read the privacy policy for the relevant cash back website.

Where do we get the data from?

From you

Most of the data that we process will be data that we collect from you directly when you request a quote. We will ask you various questions to collect the data we need for the purpose of your policy. We will not be able to provide a quote unless you answer the mandatory questions.

From M&S Insurance

If you have previously held any products or services with M&S then we may carry out checks against data that M&S already hold on you. This includes data that may be needed to apply any discounts or offers that you may be entitled to from time to time as an existing customer, for fraud prevention, research and analysis and to help us assess your application for insurance. We may do this when you request a quote, when changes are made to your policy or when your policy is due for renewal.

From your use of our website and services

We also collect data about you based on your actions, for example we collect data about how and when you use our websites, or our services so that we can build up a picture of you as a customer. This can include information such as how many quotes you have obtained for insurance from us, mouse clicks/taps, mouse movements,

page scrolling and text entered into forms. This helps us to provide you with a good service and to design improvements to our products and services (including changes to our website) but is also used to help us to prevent and detect fraud.

If you contact us electronically, we may collect your electronic identifier e.g. Internet Protocol (IP) address or telephone number supplied by your service provider. This information may be used by us and/or shared with and used by insurers to aid in the detection of fraud.

If we speak to you on the telephone we may record the telephone call and if you use our webchat service we will keep a record of the conversation. We do this so that we have an accurate record of your conversation with us. We also use this data for monitoring and quality control purposes and may use it for training purposes.

From price comparison sites

If you have been directed to us from a price comparison site then the price comparison site will have provided us with data that you entered in order to allow us to provide you with a quote. When you purchase one of our policies through a price comparison site we will need to share some information with the price comparison site, for example, information relating to whether the policy has been purchased or the status of the policy. We will also exchange information that is necessary to help resolve any queries or complaints.

Our service providers

We or our insurers will sometimes use third parties to process personal information on our behalf. Where third parties process your personal information on our behalf, we will have a contract in place with them placing obligations on them to keep your data secure and only use it for the purposes that we authorise.

The third parties that we use may include, for example, IT service providers, market research agencies and debt collection agencies or tracing agents appointed by us.

From other companies

As part of considering your quote, administering (including amending or renewing) your policy or dealing with any claims on your policy, we, our insurers and/or our credit providers will exchange information about you with other companies and/or carry out checks with various databases, which is standard practice in the insurance industry. We have set out below some of the common databases that may be checked.

DVLA

If you provide your, or any named driver's, driving

licence number this be passed to the DVLA, either by us or the insurers we work with, in order for a search to be carried out to confirm your (or any named driver's) licence status, entitlement and relevant restriction information and endorsement/conviction data.

Undertaking searches using your driving licence number helps insurers check information to prevent fraud and ensure policy premiums are fair.

A search with the DVLA will not show on your (or your named driver's) driving licence record.

For details relating to information held about you by the DVLA, please visit www.dvla.gov.uk.

Credit searches

We and/or our insurers or credit provider(s) will carry out checks with credit reference agencies, including-

- checks against publicly available information such as the Electoral Register, County Court Judgments, bankruptcy or repossession information;
- checks against data relating to your credit history. If you enter into a credit agreement to pay for your policy, we may also pass to Credit Reference Agencies information we hold about you and your payment record with us. Credit Reference Agencies share information with other organisations, enabling applications for financial products to be assessed or to assist the tracing of debtors, or to prevent fraud. We may ask Credit Reference Agencies to provide a credit scoring computation. Credit scoring uses a number of factors to work out risks involved in any application. A score is given to each factor and a total score obtained and this together with other factors will be used to assess your application for a quote or a policy.

The credit reference agencies will keep a record of the search and you may see this recorded on your credit file. If you want to check the information that the credit reference agencies hold about you then you can contact them directly.

If you decide to take out a credit agreement, the search and details of your payment history with the credit provider will also be visible to other lenders. You can find out further information about how the Credit Reference Agencies collect and use personal data at www.callcredit.co.uk/crain which also provides you with details of how to contact the Credit Reference Agencies if you want to check the information that they hold about you.

Claims and Underwriting Exchange and Other Registers and Databases

We, the insurer and/or the re-insurer exchange information with various databases and registers to help us check information provided, to detect and prevent crime or fraud and to obtain information

about your no claims history. These may include the Claims and Underwriting Exchange Register, the Hunter Database, the Motor Insurance Anti-Fraud and Theft Register, the No Claims History Database and any other relevant industry databases or registers. Under the conditions of your policy, you must tell us about any incident (such as an accident or theft) which may give rise to a claim whether or not a claim is made. When you tell us about an incident, we or the insurer will pass this information to the registers and any other relevant registers.

Motor Insurance Database

Information relating to your insurance policy will be added to the Motor Insurance Database ("MID") managed by the Motor Insurers' Bureau ("MIB"). MID and the data stored on it may be used by certain statutory and/or authorised bodies including the Police, the DVLA, the DVLANI, the Insurance Fraud Bureau and other bodies permitted by law for purposes not limited to but including:-

- Electronic Licensing
- Continuous Insurance Enforcement
- Law enforcement (prevention, detection, apprehension and/or prosecution of offenders)
- The provision of government services and/or other services aimed at reducing the level and incidence of uninsured driving.

If you are involved in a road traffic accident (either in the UK, the EEA or certain other territories), insurers and/or the MIB may search the MID to obtain relevant information.

Persons (including his or her appointed representatives) pursuing a claim in respect of a road traffic accident (including citizens of other countries) may also obtain relevant information which is held on the MID. It is vital that the MID holds your correct registration number. If it is incorrectly shown on the MID you are at risk of having Your vehicle seized by the Police. You can check that your correct registration number details are shown on the MID at www.askMID.com.

Existing Data

We will check our existing records to see if you have held a policy or obtained a quote with us or any of the brands BISL Limited administer before. We will also share personal data with our other brands, Group Companies and insurers for these purposes.

The credit providers we work with (as described in the "Who is processing your data?" section above) will also carry out checks against data that they hold on you if you have held a credit agreement with them or applied for credit with them before.

Checking and comparing this data helps us to assess your quote (including at renewal). This data will also be used for research and analysis in accordance with the section headed "What do we

use your data for?" below.

Publicly available sources

We or our insurers use some open sources of data which are not personal data (such as information about particular geographic areas) and combine this with the personal data that we hold about you (such as your own address) in order to assess insurance risk and provide you with an accurate quote.

Providing data about other people

We will sometimes need you to provide us with data about other people, for example where another person is being added to the policy as a joint policyholder or named driver. Where you give us data about someone else, you must make sure that you have made that person aware of this Privacy Policy. If we ask you to confirm your consent to certain data being processed, you are giving consent for your data and any relevant data relating to the other person to be processed. Where this privacy policy refers to "your data" this also includes data about anyone else named on the policy or whose data you provide us with.

What do we use your data for?

The data that we hold is used for the following purposes:-

Part 1 - Providing you with a quote and administering your policy

The personal data that we use for the purposes set out in this Part includes information you provide during your quote, information about previous or existing policies held by us or our insurers, identification information, information from credit reference agencies, your policy and payment history and behavioural information that we gather from your use of our website and how you manage your policy.

Providing you with a service

As you would expect, this data is used to provide you with the service you have requested, for example a quote or an insurance policy. When you take out a policy, we will continue to use your data to provide you with annual renewal quotes and where we can we will use the data to automatically renew your policy and continue to provide you with insurance cover. If you would prefer that we don't use your data to automatically renew your policy then you can opt out of the automatic renewal process by contacting us. This means we will still use your data to generate a renewal quote but your policy will not renew unless you tell us that you would like to accept the renewal quote. You can find more information about this in your policy documents.

Credit agreements and payments

Both we and the credit provider use this data (including data held in relation to our other brands) to help us build up a picture of you a customer. This allows us to carry out more accurate assessments of you as a customer when you apply for products with us, including creditworthiness assessments. It helps us to provide you with more relevant information such as making sure we show you the right content at the right time. We also use this information to help calculate your future quotes. This information will also be shared with our insurers for these purposes.

Data will also be used by us or your credit provider (if applicable) to administer any payments due under your policy and this will include (where necessary) sharing data relating to your payments with credit reference agencies, debt collection agencies or any financial organisations such as banks or payment providers for purposes connected with payment processing, refunds, funding or associated services. If you have taken out credit you can find further information within the credit agreement.

Additional information about your circumstances

If you let us know that you have any accessibility requirements or any circumstances which may impact the service we provide to you, we will keep a record of the information you provide so that we can provide an appropriate service to you for example if you tell us that you need documents in an alternative format. Where we can, and if we feel it is appropriate, we may also pass this information to our suppliers or partners to ensure that they can also provide an appropriate service to you.

Data protection law says that we have to tell you the legal basis on which we process your personal data.

In relation to personal data used for the purposes described in this Part 1, we process this data because it is necessary to perform the contract that we have in place with you to provide you with the quote or the policy that you have requested.

Part 2 – Fraud Prevention

In order to prevent and detect fraud we, the credit provider and/or the insurer may use the personal data set out above at any time to undertake searches to prevent fraud and money-laundering and to verify your identity. This will include checking or sharing your details with credit reference agencies and fraud prevention agencies. If false or inaccurate information is provided or if we or a fraud prevention agency determine that you pose a fraud or money laundering risk, we may refuse to provide the services and/or financing you have requested and we may stop providing existing services to you.

A record of any fraud or money laundering risk will

be retained by the fraud prevention agencies and which may be checked by other organisations for example when: checking details on applications for credit and credit related or other facilities; managing credit and credit related accounts or facilities; recovering debt and tracing beneficiaries; checking details on applications for new products and dealing with claims for all types of insurance. This may result in others refusing to provide services, financing or employment to you.

Fraud prevention agencies can hold your personal data for different periods of time, and if you are considered to pose a fraud or money laundering risk, your data can be held by them for up to six years

In relation to personal data used for the purposes described in this Part 2, we process this data because we have a legitimate business interest in carrying out these activities to protect against fraud and because there is a substantial public interest in preventing and detecting crime including fraud.

Part 3 – Other Uses of Data

Marketing

When you request your quote you will be given an opportunity to confirm whether you are happy to receive marketing material from us. If you confirm you are happy to receive this material, we will use your postal address, email address and telephone number to send you marketing materials by post, email, telephone call or SMS. We do not pass your data to third parties for marketing purposes.

You can change your mind at any time by logging into your Self Service Centre and updating your preferences. You can also unsubscribe from emails by clicking on the unsubscribe link on any marketing emails that we send you or by contacting us.

This will not impact any communications that we need to send you for the purpose of your policy, for example communications about your renewal, updates about your policy or information about any quotes we've provided to you.

We use the data we hold to help us understand our customer demographic to help us improve the services that we provide to you and to help us target our advertising and marketing so that we show customers adverts or marketing which may be more relevant to them. We may sometimes work with carefully selected third parties to do this for example using advertising services provided by organisations such as Google and Facebook and may share data with them to carry out this research and analysis, however will not sell your data to third parties for them to market to you.

Market Research

From time to time we may want to use your postal address, email address and/or telephone number to contact you to assist us with our research by asking you a few questions about the service you have received or by asking if you would like to complete a review of our services. We may sometimes ask market research companies to contact you on our behalf.

If you would prefer us not to contact you for market research purposes then you can let us know by contacting us.

Research and Analysis Activities

We use data relating to your quotes or your policy, including your claims history, to carry out various research and analysis activities to help us to regularly review and improve the products and services we provide and carry out research relating to underwriting, claims and pricing. We also share this data with our insurers to enable them to use this data for these purposes. Where possible, data will be shared on an anonymised basis. The data will not be used to make any decisions that will affect you or any other individual.

We also use the data that we collect about you through your website usage to carry out research and analysis into usage and activities on our website to enable us to continue to improve our website and our products and services.

In relation to personal data used for the purposes described in this Part 3, we process this data because we have a legitimate business interest in carrying out these activities to promote and improve our business. We have ensured appropriate safeguards to protect your rights when processing this data for these purposes.

Part 4 - Special Personal Data and Criminal Convictions

In order to provide your quote and administer your policy we may ask you to provide data which data protection law classifies as "special personal data". This includes information about your health (such as any medical conditions) or information relating to criminal convictions or alleged or actual criminal offences.

Where we collect special personal data and criminal conviction or offence data to provide you with your quote and your policy, we process this data because it is in the substantial public interest to do so for the purposes of advising on, arranging, underwriting or administering an insurance contract.

It may also be necessary for us to retain a copy of any special personal data and criminal conviction or offence data for the purpose of making or defending claims or preventing or detecting crime, including fraud.

How long do we keep data?

We'll only keep your personal data as long as we need it and ensure it is securely destroyed when it is no longer required. We do however need to keep certain data after your policy has ended for certain periods as detailed below.

Generally, if you take out a policy with us, you can expect us to keep your data for a period of 10 years following the end of your policy unless there is a requirement for us to keep the data for longer, for example if there are any ongoing queries or claims relating to the policy.

We keep data for these periods as it plays an important part in allowing us to undertake fraud detection and prevention activities, allows us to deal with any queries or complaints that may arise regarding the quote and allow us to carry out research and analysis to help us improve our products and services (as described in the section headed "What do we use your data for?" above).

Overseas Transfer of Data

We may use third party suppliers to process personal data about you. Some of these suppliers may be located in countries outside the UK which may not have equivalent laws in place to protect your personal data. For example, we use third party software suppliers to process data such as your IP address and email address. Our insurers may also process personal data in countries outside the UK which may not have equivalent laws in place to protect your personal data. Our insurers are data controllers in respect of any such processing.

Whenever we do use third party suppliers to process personal data about you outside the UK we will ensure that your personal data is kept securely, is only used for the purposes set out in this Privacy Policy and is afforded equivalent protection as it would be if it were processed in the UK. We do this through various mechanisms, for example making sure that approved contractual clauses are in place with the supplier. If you would like any further information please contact us using the details in the "Contacting Us" section.

Your Rights

Data protection law gives you various rights in relation to your personal data. All the rights set out below can be exercised by contacting us using the contact details set out under the "Contacting us" section below. Those rights include:-

- You have the right to ask us to provide a copy of the personal data that we hold about you. This is called a Data Subject Access Request or "DSAR".

You can access information about your policy and your policy documents by logging into your

Self Service Centre. If you want to receive other personal data that BISL Limited holds then please contact us using the contact details below. When contacting us please describe the information you require and include the following: your full name, your date of birth, your full address and your quote/policy number. For security purposes we may need to ask you for further information to verify your identity. If you require information sending to different contact details to those held on your policy please include a copy of your passport or driving licence and proof of address such as a recent utility bill to assist us in verifying your identity. We might also need to ask you for additional information to help us locate the data that you are looking for.

Once we have all the information that we need to process your DSAR, we will respond within one month unless your DSAR is very large or complex, in which case we may need to extend this period. If we need to do this we will let you know.

If you want to make a DSAR in relation to personal data that is held by the insurer of your policy then you will need to contact the insurer directly. You can find their details in your policy documents.

- You have the right to ask us to correct inaccurate personal data that we hold about you. If you think any of your personal data is inaccurate, please contact us and, provided we can verify your identity and are satisfied as to the accuracy of the correction requested, we will correct the relevant personal data as soon as we can.
- You have the right to request that we provide a copy of your personal data in a machine readable format or to ask us to send your personal data to another company. This applies to personal data that you have provided to us, which we have processed electronically, such as data you entered on our website when you obtained a quote.
- You also have the right to ask us to delete personal data that we hold about you. We are obliged to delete personal data in some circumstances, such as where it is no longer needed. However, data protection laws allow us to keep the personal data if we need to, for example if the data is needed to allow us to administer your policy or if the data is needed for fraud prevention. In any case, we will retain your personal data in line with the retention periods detailed under "How long do we keep data?" above.
- You have the right to ask us not to do anything with your personal data except store it in limited circumstances, such as if you and we do not agree on the accuracy of personal data and steps are required to validate it.
- You have the right to object to us processing certain personal data about you. For example, you can ask us to stop processing data for marketing

or market research purposes. However, where we need to continue to process the personal data, for example to administer your policy or for fraud prevention purposes, we are not obliged to stop processing it.

- You have the right to ask to review significant decisions that we have made about you wholly by automated means. The nature of the quotes that we provide to you means that we have to use this kind of automated decision making in relation to your personal data (including special categories of personal data) to assess your quotes. This means that our computers will consider lots of different pieces of information about you and about the policy you have requested (such as information about your vehicle) in order to calculate whether or not we are able to offer you a quote, at what price this should be and whether we can offer you a credit agreement to pay for your premium. Automated decision making will be used when you request a quote, when we are considering whether we can offer you a renewal quote and also if any changes are made to your policy. We may also use automated decision making to decide if you pose a fraud or money laundering risk. If you ask us to review the decision, we will make sure that it is examined by a human and we will confirm the outcome to you. This does not necessarily mean that the decision will be changed.

Breakdown or Road Traffic Collision on a motorway in France or Mainland Europe

Motorways in France and many other European countries are privately managed. If **your vehicle breaks down** or is involved in a **road traffic collision** on a French motorway, motorway service area, or other European private motorway, **you** must use the roadside emergency telephones as the **RAC** cannot send assistance. If the **vehicle** is recovered by the police or authorised motorway services, **you** may have to pay labour and towing charges on the spot and a standard tariff is normally applied.

The **RAC** will **reimburse** these charges as long as the **vehicle** is towed to the recovery company's depot. This may also apply to other roads, so the **RAC** recommend **you** use the emergency phones where available. If they will not send a **breakdown** recovery **vehicle**, **you** should contact the **RAC**.

- the costs of recovering the **vehicle** to a local repairer to ensure the **vehicle** is secure and roadworthy.

Covered

Although this is not covered as a **breakdown** under this **RAC Breakdown Cover**, if the **driver** suddenly or unexpectedly falls ill during the **European journey** in **Europe**, meaning they are unable to drive, the **RAC** will provide a replacement **driver** to allow the **European journey** to continue or return **home**. The **RAC** will require written confirmation from the treating hospital or medical expert that the **driver** is unable to drive.

Not Covered

- If there is another qualified driver who is a **passenger** and who is fit and legally able to drive the **vehicle**.
- Any benefits under any other section of this **RAC Breakdown Cover**.

General conditions for Section E

- The **RAC** will not cover any **call-out** for any repairs to a **vehicle** which are not essential in order to continue the **European journey**;
- Any **claim** which the **driver** could make under any other insurance policy. If the value of the **call-out** is more than the amount which can be recovered under another policy the **RAC** may pay the difference, subject to the limits as set out in this **RAC Breakdown Cover**;
- You** must make sure the **vehicle** meets all relevant laws of the countries visited during a **European journey**;
- How the exchange rate is calculated:
 - Any costs incurred directly by the **RAC** in a currency other than GBP will be converted to GBP at the exchange rate used by them at the time;
 - Costs incurred by **you** in a currency other than GBP which are recoverable will be converted to GBP either:
 - at the exchange rate used by the credit or debit provider; or
 - at the exchange rate used by the **RAC** when your **claim** form is received if **you** paid in cash;
- The **RAC** will not take responsibility for repairs carried out at any garage, and the contract for such repairs will be between **you** and the garage / repairer.

6. When a hire car, taxi, hotel or similar benefit is arranged under this **RAC Breakdown Cover**, the **RAC** will always try to find a suitable option that is available at the time, however:

- a) the **RAC** are not responsible for the quality or service of each individual hotel, train or taxi booked; and
 - b) for hire cars, whilst reputable companies are used, the **RAC** are unable to and cannot be responsible for checking the condition of each **vehicle** or the quality of service provided by each company;
7. If, following a **breakdown**, the **vehicle** needs to be repaired, **you** must not delay or refuse repairs whilst **you** are in **Europe**. If **you** do, and in the reasonable opinion of the **RAC** that would lead to additional costs being incurred, the **RAC** reserve the right to refuse to provide cover under section E3 (Onward travel in **Europe**) or section E4 (Getting your vehicle home);
8. If the **breakdown** or **road traffic collision** is caused by flooding brought about by adverse weather the **RAC** will only arrange for the **vehicle** to be taken to a local repairer. All further service will be an additional cost paid by **you**, or must be referred to the **vehicle's** motor insurer;
9. In handling **breakdown call-outs** there may be more than one option available to **you** under this **RAC Breakdown Cover**. The **RAC** will decide which is the most appropriate option based on the expertise of the **RAC** in **breakdown** situations. In doing so the **RAC** will act in consultation with **you**, and act reasonably at all times;
10. This **RAC Breakdown Cover** does not cover:
- a) **vehicle** storage charges, other than under Section E4;
 - b) call-outs if **you** are not carrying a serviceable spare tyre, tyre repair equipment provided by the manufacturer or a locking wheel nut;
 - c) the hire of minibuses, motorhomes, motorcycles, **caravans**, **trailers** or vans;
 - d) overloading of a **vehicle** under the laws in any country in which the **vehicle** is travelling;
 - e) **breakdowns** or **road traffic collisions** caused by running out of oil or water, frost damage or rust or corrosion.

General Conditions

The following conditions apply to all sections of this **RAC Breakdown Cover**. If **you** do not comply the **RAC** can refuse cover and/or cancel your **RAC Breakdown Cover**.

1. **You** must pay **your** premium.
2. **You** must request services directly from the **RAC**, as the **RAC** will only provide cover if the **RAC** make arrangements to help **you**.
3. Where the **breakdown** is caused by a component failure this must stop the **vehicle** from working, so

for example an air-conditioning failure in itself does not constitute a **breakdown**, and the illumination of a warning light does not always constitute a **breakdown**. If it does not, **you** will need to take **your vehicle** to a place of repair and **your RAC Breakdown Cover** will not cover this.

4. The **RAC** will not cover any **claim** where the **vehicle** is already at a garage or other place of repair.
5. Where the **RAC** deem, acting reasonably, that **you** requested service to avoid the cost of repairing the **vehicle**, or to correct an attempted repair by someone else, the **RAC** will not provide cover.
6. A **driver** must be with the **vehicle** when the **RAC** attend.
7. **You** are responsible at all times for the care of your personal belongings, valuables, luggage and goods in or on a **vehicle**. The **RAC** will not be responsible for any loss of or damage to them.
8. Where the **RAC** recover **passengers** under the age of 16, they must be accompanied by an adult.
9. The **RAC** will not allow animals in their vehicles, except guide dogs. Any animals can remain in the **vehicle** at the **driver's** own risk. The **RAC** will not be liable for any injury to animals, or damage caused by them. The **RAC** will not transport any livestock. The **RAC** will not be responsible for any costs relating to animals.
10. The **vehicle** must not carry more passengers than the number stated in the **vehicle's** registration document. Each passenger must have a separate fixed seat fitted to the manufacturer's specification and any child must occupy a properly fitted child seat.
11. Where the **RAC** provide a repair to the **vehicle**, whilst the **RAC** are responsible for that repair, this does not mean that the **RAC** are confirming the legal and roadworthy condition of the **vehicle**. This remains your responsibility.
12. The **RAC** will not be responsible for any losses that may incur following a **breakdown** that are not expressly covered by this **RAC Breakdown Cover**. For example, the **RAC** will not pay for any loss of earnings or missed appointments.
13. The **RAC** do not guarantee that recovery to any garage will be during opening hours, or that repairs can start immediately. Whilst the **RAC** will try to check that the garage will undertake the type of repairs required, the **RAC** cannot guarantee this. The **RAC** will not take responsibility for repairs carried out at any garage and the contract for such repairs will be between **you** and the garage / repairer.
14. During extreme weather, riots, war, civil unrest, industrial disputes, the **RAC's** services can be interrupted. They will resume their service to **you** as soon as they can in these circumstances.
15. The cost of the following is not covered by this **RAC Breakdown Cover**:
 - a) **specialist equipment**,

b) tolls, ferries or congestion charges for the **vehicle** and the **RAC's vehicle**;

c) any damage to glass, including panoramic glass, even if the damage means the **vehicle** cannot be legally or safely driven. the **RAC** will arrange transport to a local garage so **you** can arrange to get the **vehicle** fixed but **you** will have to pay for this;

d) spare tyres and wheels and repairing or sourcing them;

e) recovery by someone other than **RAC** even if this is requested by the emergency services; or

f) the **RAC** will only provide recovery once instructed to do so by the emergency services.

16. In handling any **claim** there may be more than one option available to the **driver** under this **RAC Breakdown Cover**. The **RAC** will decide which is the most appropriate option based on the expertise of the **RAC** in **breakdown** situations. In doing so the **RAC** will act in consultation with the **driver**, and act reasonably at all times.

17. The **vehicle** must be privately owned and only used for private use, including use for social, domestic and pleasure purposes and commuting to and from a permanent place of work and any business use other than hire and reward and/or courier services.

18. This **RAC Breakdown Cover** does not cover:

a) **Your** vehicle servicing, maintenance or assembly of the **vehicle**;

b) **caravan** or **trailers**, except as described under Section A;

c) use of **your vehicle** for business, including for example demonstrating and/or carrying trade plates;

d) **breakdowns** resulting from activities that are not subject to the normal rules of the road for example rallies, stock car racing, use of the Nürburgring or other formal or informal **race** events;

e) **breakdowns** that occur off the public highway to which the **driver** or the **RAC** have no legal access;

f) the **vehicle** if it is not legally taxed, insured and holding a valid MOT which is required by law or is not being used in line with the manufacturer's guidelines;

g) **vehicles** that are not in a roadworthy condition. If the **RAC** consider, acting reasonably, that the **vehicle** is not in a legal or roadworthy condition, the **RAC** can refuse to provide service. If **you** can demonstrate that the **vehicle** is roadworthy the **RAC** will provide service;

h) any **claim** that is or may be affected by the influence of alcohol or drugs;

i) any **breakdown** that is caused by or as a result of **vehicle** theft or fire; or

j) any **claim** under this **RAC Breakdown Cover** where the **breakdown** was first reported to the **RAC** under a different policy.

19. If the **driver** is asked to review and approve a document recording the condition of the **vehicle**, including an electronic form, it is **their** responsibility to ensure that the record is accurate and complete,

and the **RAC** will not be responsible for any errors or omissions.

Additional Benefits

The following are provided at no additional charge:

Service in the Republic of Ireland

If the **vehicle** has broken down in the Republic of Ireland, the **RAC** will provide a Roadside attendance service only, as described under Section A (Roadside). If **your home** address is in Northern Ireland and **you** have purchased Section C (Recovery), the **RAC** will recover the **vehicle** to **your home**, or to another destination in Northern Ireland if the distance is less.

Urgent message relay

If the **vehicle** has broken down and the **driver** needs to get in touch with friends and family urgently, where possible the **RAC** will get a message to them.

Replacement driver

If the **driver** becomes ill during a journey in the **UK** and no one within the party can drive the **vehicle**, the **RAC** may be able to provide a replacement **driver**. This service is discretionary, and the **RAC** will decide whether or not to provide this service.

Additional services

The **RAC** can provide additional services that are not included in your **RAC Breakdown Cover** but the **RAC** will charge **you** for these, for example to:

1. Purchase the parts **you** need to get on **your** way;
2. Pay for **specialist equipment** to complete the repairs;
3. Extend the hire time for a replacement car;
4. Arrange a second or extended recovery; or
5. Attend a mis-fuel event.

If **you** need extra help, the **RAC** will agree the costs up front and will need full payment before the **RAC** can help. If **you** took out the **RAC Breakdown Cover**, **you** will be responsible for any additional charges so if the **RAC** help someone under your **RAC Breakdown Cover** and they cannot pay, the **RAC** will invoice **you**. This is why the **RAC** request proof of identity at the **breakdown**.

Important Information about Our Insurance Intermediary Services

Your contract with BISL Limited ('We/Us/Our')

BISL Limited is an insurance intermediary and you will enter into two separate contracts when you take out an insurance policy through Us. The first contract is with Us and sets out the terms and conditions under which We will arrange and administer your insurance policy on your behalf and any fee(s) that We shall charge you for providing Our insurance intermediary services. Use this information to decide if Our services are right for you.

You will also enter into a separate contract with the insurer for providing your insurance. Details of the premium charged and the terms and conditions relevant to the insurance policy are set out in your Welcome Pack. When you purchase additional products or pay for your policy by installments using a fixed sum loan agreement, you will enter into further contracts with each insurer, supplier or credit provider for these services.

Client Money

We act as agent for the insurer for the collection and payment of your premiums including any additional insurance products you purchase from us. This means that premiums are treated as being received by the insurer when they are received by us. Any premium refund is treated as received by you when it is actually paid to you. We will not pay you the amount of any interest that we earn from investing your money before paying it to your insurer

Your demands and needs

We have not provided advice on whether the policy is suitable for your needs or made any recommendations. We offer products from a range of insurers for car insurance.

What Insurance Intermediary Services will We provide?

Our services We will provide to you on your behalf include:

- Arranging your vehicle insurance by selecting a range of prices from Our panel of insurers that We can offer, arranging your cover with the insurer based on your requirements, dealing with your payment and providing you with the details and documentation relating to your policy.
- Deal with your requests for adjustments you have to make to your policy, such as changes to the cover required, the use and/or vehicle insured. We will notify the insurer, deal with any amendments of risk or adjustments of premium required and provide you with confirmation of any changes to your policy. We may arrange cover with an alternative insurer if the amendments to your policy are not acceptable to your original insurer.

- We will also arrange the cancellation of your policy at your request, notifying the insurer, dealing with any refunds of premium, confirming the changes to your policy and arranging for the return of documents.
- Deal with your requests for any duplicate or replacement documentation relating to your policy and/or additional products.
- We will arrange optional additional add-on products where you consider these products meet your needs. • We will also arrange the renewal of your insurance and additional products based on your requirements (see Automatic Renewal section below).

Our fees and charges

We will charge you the following fees where applicable for providing Our insurance intermediary services to you:

Cancellation fee

If either you or We cancel within 14 days of receiving your policy documentation We will charge you the cost for the amount of time you have been covered unless you have made a total loss claim in which case no refund will be given and all premiums would be due. If either you or We cancel more than 14 days after receiving your policy documentation We will charge you a fee of £50 and the cost for the amount of time you have been covered. This is providing no claims have been made. If a claim has been made, or there has been an incident which may lead to a claim, no refund will be given and all premiums would be due. In this event you will not be charged the £50 fee. If upon investigation we find that you are no longer eligible for an add-on product, a refund will be provided on a pro-rata basis. We have provided you with information on how to cancel your policy in the cancellation section of your Motor policy wording, Section 15. This clearly sets out Our approach to providing you with a refund of premium for your time on cover. We will pay any refund due to the bank account or credit/debit card we hold on file.

Administration fee

If you make an underwriting change to your policy, we may charge an administration fee of £25. We have provided you with a list of examples of the things that We need to know about in the Important customer information section of your Motor policy wording, Section C.

Continuous Payment Authority

When you pay by credit or debit card we will set up a Continuous Payment Authority (CPA). This allows us to take your payments automatically when they are due, including for any amendments you make and future renewals. This means you don't have to provide new details for each payment and ensures your insurance

continues uninterrupted. We will always inform the policyholder of any payments that are due to be taken. We reserve for payments with your bank 2 working days prior to a payment due date and can attempt collection up to 3 times within this 2-day window. We won't attempt any further reservations past the payment due date. If we're unable to collect a payment at any point, we will contact the policyholder. The policy may be cancelled if we don't receive payments that are due. You can cancel the CPA by contacting us at any time.

Compensation

We are covered by the Financial Services Compensation Scheme (FSCS). You may be entitled to compensation from the scheme if We cannot meet our obligations. This depends on the type of business and the circumstances of the claim. Insurance advising and arranging is covered for 90% of the claim, without any upper limit. For compulsory classes of insurance, insurance advising and arranging is covered for 100% of the claim without any

upper limit. Further information about compensation schemes arrangements is available from the FSCS website www.fscs.org.uk or write to Financial Services Compensation Scheme, 10th Floor, Beaufort House, 15 St Botolph Street, London, EC3A 7QU.
