1 Liability to others

What is covered under this section

The **insurer** will pay amounts including claimant's costs that **you** are legally liable to pay for:

Emergency treatment

The **insurer** will pay for the cost of any emergency treatment or hospital treatment which **you** incur under the UK **Road Traffic Acts** for injuries arising out of any accident involving any car which this **policy** covers. If this is the only payment made, it will not affect **your** no claim discount.

Towing

The cover under this section of the policy is extended to **you** while any vehicle covered by this **policy** is towing a trailer, trailer-caravan or broken down car. The cover will apply as long as:

- the towing is allowed by law; and
- the trailer, trailer-caravan or broken down car is attached properly by towing equipment made for this purpose; and

- Anyone using (but not driving) **the car** with **your** permission for social domestic and pleasure purposes.
- The employer or business partner of **you** or **your partner** (if covered under this **policy**) should they become legally liable as a result of the use of **the car** by **you** or **your partner** in the course of their business or employment, providing that such use is covered by the **Certificate of Motor Insurance**. This does not apply if:

- o **The car** belongs to or is hired by such employer or business partner.

What is not covered under section 1

The **insurer** will not pay for;

- Any amount the **insurer** has not agreed to in writing.

- Any loss of or damage to any vehicle, trailer, trailer-caravan or disabled vehicle covered by this **policy**.
- Any liability for death or injury to any employee in the course of their employment by anyone insured by this **policy** if the employer is covered by an employers liability **policy** except as required by any compulsory **Road Traffic Acts**.

- Cover will not apply to any person claiming under this section who can claim under another policy.
- Any amount over £1.2 million, for any one pollution or contamination event.

2 Damage to the car

What is covered under this section

This section provides **you** with cover for loss or damage to **the car** and its **accessories** caused by accidental or malicious damage, or vandalism.

The **insurer** will decide either to;

- repair the damage themselves; or
- pay to have the damage repaired; or
- pay to replace what is lost or damaged if this is more cost effective than repairing it; or
- pay **you** an amount equal to the loss or damage.

If to the **insurer's** knowledge **the car** is the subject of a hire purchase or leasing agreement, the **insurer** may, in the event of **the car's** total loss or destruction, pay the hire purchase or leasing company directly for the loss or damage to the vehicle.

If the **insurer's** estimate of the **market value** is more than the amount owed any balance will be paid to **you**. If the **insurer's** estimate of the **market value** is less than the amount owed you may have to pay the outstanding balance.

By purchasing this **policy** you agree that the **insurer** can handle **your** claim in this way.

The **insurer** will also arrange and pay reasonable costs

for the protection, removal and storage of **the car** and delivery after repair to **your risk address**.

The **insurer** may use warranted replacement parts or recycled parts which are not supplied by the manufacturer of **the car** but will be of a similar standard. If suitable replacement parts are not available the **insurer** will pay the manufacturer's last list price.

The **insurer** will not pay more than the **market value** of **the car** at the time of the loss unless the new car benefit applies.

New car benefit

The **insurer** will replace **the car** with one of the same make, model and specification if;

- the loss or damage happens within twelve months from the date **the car** was first registered; and
- **you**, or **your partner**, are the first and only registered keeper of **the car** (or the second registered keeper if the first registered keeper is the manufacturer or supplying dealer and the delivery mileage is under 250 miles); and
- **you**, or **your partner**, have owned **the car** (or it has been hired to **you**, or **your partner**, under a hire purchase or leasing agreement) since it was first registered as new (or **you** are the second owner if the first owner is the manufacturer or supplying dealer and the delivery mileage is under 250 miles); and
- the cost of repair is valued at more than 60% of the cost of buying an identical new car at the time of the loss or damage (based on the United Kingdom list price); and
- **the car** was supplied as new from within the **territorial limits**.

In these circumstances, if **you** ask the **insurer** to, they will replace **the car** (and pay reasonable delivery charges) with a new car of the same make, model and specification.

The **insurer** can only do this if a replacement car is available in the **territorial limits** and anyone else who has an interest in **the car** agrees.

If a replacement car of the same make, model and specification is not available, the **insurer** will, where possible, provide a similar car of identical list price.

If this is not acceptable to **you**, the **insurer** will not pay more than the **market value** of **the car** at the time of the loss.

Car audio, navigation and entertainment equipment

The **insurer** will also cover the cost of replacing or repairing **the car's** audio, navigation and entertainment equipment up to the following amounts:

- unlimited for equipment fitted as original equipment by the manufacturer; or
- £500 for any other equipment not fitted by the manufacturer, provided it is permanently fitted to **the car**.

Recommended repairer

If the damage to **the car** is covered under **your policy** and it is repaired by a recommended repairer, **you** do not need to obtain any estimates and repairs can begin immediately after the **insurer** has authorised them. The **insurer** will arrange for one of their repairers to contact **you** to arrange to collect **the car**. Repairs made by the **insurer's** recommended repairers are guaranteed for three years.

At **your** request, **you** can arrange for a repairer of **your** choice to carry out the repairs. **You** must send the **insurer** at least two detailed repair estimates as soon as reasonably possible. The **insurer** will only be liable for the repair costs at a non-recommended repairer if the **insurer** has agreed that the costs are reasonable and the **insurer** has issued an authorisation to the repairer. The **insurer** may need to inspect **the car**.

The **insurer** reserves the right to ask **you** to obtain alternative estimates and the **insurer** may not pay **you** more than their recommended repairer would have charged them for the repair of **the car**.

Courtesy cars

This **policy** also covers loss or damage to any courtesy car the **insurer's** recommended repairer provides to **you** while any damage to **the car** is being repaired. The provision of a courtesy car is subject to availability and the recommended repairers terms and conditions. In addition, the terms, conditions and **excesses** of **your policy** remain in force for the courtesy car.

If the provision of a courtesy car is available, the **insurer's** recommended repairer will not be obliged to arrange a replacement vehicle any larger than a small hatchback, typically with a 1 liter engine capacity. If **you** wish to upgrade to any other vehicle, the cost of the upgrade will be **your** responsibility.

What is not covered under section 2

- Loss of or damage to **the car** caused by fire, theft or attempted theft.
- The total **excess** shown in **your Schedule of Insurance**. **You** must pay these amounts for every incident that **you** claim for under this section.
- The additional **excesses** shown in the **Schedule of Insurance**, if **the car** is damaged while it is being driven by a **young driver** or **inexperienced driver**.
- Loss of keys, keyless entry system devices, tapes, compact and mini discs, DVDs and other portable media storage devices.
- Loss or damage caused to **the car**, if at the time of the incident, it was under the custody or control of anyone with **your** permission who is not covered under this **policy**.
- Loss or damage to **the car** and/or its contents as a result of someone taking it by fraud or trickery while pretending to be a buyer.
- Loss or damage to **the car** caused by malicious damage unless this has been reported to the police

and a crime reference number obtained.

3 Fire and theft

What is covered under this section

This section provides **you** with cover for loss or damage to **the car** and its **accessories** caused by fire, theft or attempted theft.

The **insurer** will decide either to;

- pay to have the damage repaired; or
- pay to replace what is lost or damaged if this is more cost effective than repairing it; or
- pay **you** an amount equal to the loss or damage.

If to the **insurer's** knowledge **the car** is the subject of a hire purchase or leasing agreement, the **insurer** may, in the event of **the car's** total loss or destruction, pay the hire purchase or leasing company in the first instance.

If the **insurer's** estimate of the **market value** is more than the amount owed any balance will be paid to **you**. If the **insurer's** estimate of the **market value** is less than the amount owed **you** may have to pay the outstanding balance.

By purchasing this **policy** **you** agree that the **insurer** can handle **your** claim in this way.

The **insurer** will also arrange and pay reasonable costs for the protection, removal and storage of **the car** and delivery after repair to **your risk address**.

The **insurer** may use warranted replacement parts or recycled parts which are not supplied by the manufacturer of **the car** but will be of a similar standard. If suitable replacement parts are not available the **insurer** will pay the manufacturer's last list price.

The **insurer** will not pay more than the **market value** of **the car** at the time of the loss unless the new car benefit applies.

New car benefit

The **insurer** will replace **the car** with one of the same make, model and specification if;

- the loss or damage happens within twelve months from the date **the car** was first registered; and
- **you**, or **your partner**, are the first and only registered keeper of **the car** (or the second registered keeper if the first registered keeper is the manufacturer or supplying dealer and the delivery mileage is under 250 miles); and
- **you**, or **your partner**, have owned **the car** (or it has been hired to **you**, or **your partner**, under a hire purchase or leasing agreement) since it was first registered as new (or **you** are the second owner if the first owner is the manufacturer or supplying dealer and the delivery mileage is under 250 miles); and
- the cost of repair is valued at more than 60% of the cost of buying an identical new car at the time of the loss or damage (based on the United Kingdom list price); and
- **the car** was supplied as new from within the **territorial limits**. In these circumstances, if **you** ask

the **insurer** to, they will replace **the car** (and pay reasonable delivery charges) with a new car of the same make, model and specification.

The **insurer** can only do this if a replacement car is available in the **territorial limits** and anyone else who has an interest in **the car** agrees. If a replacement car of the same make, model and specification is not available, the **insurer** will, where possible, provide a similar car of identical list price.

If this is not acceptable to **you**, the **insurer** will not pay more than the **market value** of **the car** at the time of the loss.

Car audio, navigation and entertainment equipment

The **insurer** will also cover the cost of replacing or repairing **the car's** audio, navigation and entertainment equipment up to the following amounts:

- unlimited for equipment fitted as original equipment by the manufacturer;
- or
- £500 for any other equipment not fitted by the manufacturer, provided it is permanently fitted to **the car**.

Recommended repairer

If the damage to **the car** is covered under **your policy** and it is repaired by a recommended repairer, **you** do not need to obtain any estimates and repairs can begin immediately after the **insurer** has authorised them. The **insurer** will arrange for one of their repairers to contact you to arrange to collect **the car**. Repairs made by the **insurer's** recommended repairers are guaranteed for three years.

At **your** request, **you** can arrange for a repairer of **your** choice to carry out the repairs. **You** must send the **insurer** at least two detailed repair estimates as soon as reasonably possible. The **insurer** will only be liable for the repair costs at a non-recommended repairer if the **insurer** has agreed that the costs are reasonable and the **insurer** has issued an authorisation to the repairer.

The **insurer** may need to inspect **the car**.

The **insurer** reserves the right to ask **you** to obtain alternative estimates and the **insurer** may not pay **you** more than their recommended repairer would have charged them for the repair of **the car**.

This means that we are the company responsible for deciding how your data is processed. BISL Limited is part of the BGL Group of Companies and provides products and services under various brands. If you want to know more about the BGL Group of Companies and the brands that BISL operates you can find out more at www.bglgroup.co.uk.

We will share data relating to your quote or policy with Marks and Spencer Financial Services Plc who will also be a data controller of this data. You can read further information about how M&S Insurance processes your data by reading their Privacy Policy at <https://bank.marksandspencer.com/>.

Car Insurance

To provide you with car insurance, we need to share your data with the insurers we work with. This is to allow the insurers to consider your application for insurance and to allow them to deal with any claims you make on your insurance policy. The insurers will also be data controllers in relation to the data they receive from us and any additional data the insurer may collect about you when dealing with a claim. This

means that the insurers are in charge of how they handle your data and we are not responsible for this. Your insurer is set out in your Schedule of Insurance. When you choose to add an additional product to your insurance policy, such as breakdown cover, we will also need to share your data with the supplier of the additional product to allow it to be provided.

You can find further information in the terms and conditions for each additional product.

If you pay for your policy by monthly instalments you will be taking out a credit agreement. Your credit arrangement will be provided by BFSL Limited, which is part of the BGL Group of Companies and which provides credit arrangements on our behalf. Data relevant to your credit agreement will be shared with BFSL Limited. BFSL Limited will also be a data controller of this data and will be responsible for how that data is processed.

If you purchase a policy via a cash back site, some data may also be shared in relation to this for example to confirm your purchase. For more information you'll need to read the privacy policy for the relevant cash back website.

Where do we get the data from?

From you

Most of the data that we process will be data that we collect from you directly when you request a quote. We will ask you various questions to collect the data we need for the purpose of your policy. We will not be able to provide a quote unless you answer the mandatory questions.

From M&S Insurance

If you have previously held any products or services with M&S then we may carry out checks against data that M&S already hold on you. This includes data that may be needed to apply any discounts or offers that you may be entitled to from time to time as an existing customer, for fraud prevention, research and analysis and to help us assess your application for insurance. We may do this when you request a quote, when changes are made to your policy or when your policy is due for renewal.

From your use of our website and services

We also collect data about you based on your actions, for example we collect data about how and when you use our websites, or our services so that we can build up a picture of you as a customer. This can include information such as how many quotes you have obtained for insurance from us, mouse clicks/taps, mouse movements, page scrolling and text entered into forms. This helps us to provide you with a good service and to design improvements to our products

and services (including changes to our website) but is also used to help us to prevent and detect fraud.

If you contact us electronically, we may collect your electronic identifier e.g. Internet Protocol (IP) address or telephone number supplied by your service provider. This information may be used by us and/or shared with and used by insurers to aid in the detection of fraud.

If we speak to you on the telephone we may record the telephone call and if you use our webchat service we will keep a record of the conversation. We do this so that we have an accurate record of your conversation with us. We also use this data for monitoring and quality control purposes and may use it for training purposes.

From price comparison sites

If you have been directed to us from a price comparison site then the price comparison site will have provided us with data that you entered in order to allow us to provide you with a quote.

When you purchase one of our policies through a price comparison site we will need to share some information with the price comparison site, for example, information relating to whether the policy has been purchased or the status of the policy. We will also exchange information that is necessary to help resolve any queries or complaints.

Our service providers

We or our insurers will sometimes use third parties to process personal information on our behalf. Where third parties process your personal information on our behalf, we will have a contract in place with them placing obligations on them to keep your data secure and only use it for the purposes that we authorise.

The third parties that we use may include, for example, IT service providers, market research agencies and debt collection agencies or tracing agents appointed by us.

From other companies

As part of considering your quote, administering (including amending or renewing) your policy or dealing with any claims on your policy, we, our insurers and/or our credit providers will exchange information about you with other companies and/or carry out checks with various databases, which is standard practice in the insurance industry. We have set out below some of the common databases that may be checked.

DVLA

If you provide your, or any named driver's, driving licence number this be passed to the DVLA, either by us or the insurers we work with, in order for a search to be carried out to confirm your (or any named driver's) licence status, entitlement and relevant restriction

information and endorsement/conviction data.

Undertaking searches using your driving licence number helps insurers check information to prevent fraud and ensure policy premiums are fair.

A search with the DVLA will not show on your (or your named driver's) driving licence record.

For details relating to information held about you by the DVLA, please visit www.dvla.gov.uk.

Credit searches

We and/or our insurers or credit provider(s) will carry out checks with credit reference agencies, including-

- checks against publicly available information such as the Electoral Register, County Court Judgments, bankruptcy or repossession information;
 - checks against data relating to your credit history.
- If you enter into a credit agreement to pay for your policy, we may also pass to Credit Reference Agencies information we hold about you and your payment record with us. Credit Reference Agencies share information with other organisations, enabling applications for financial products to be assessed or to assist the tracing of debtors, or to prevent fraud. We may ask Credit Reference Agencies to provide a credit scoring computation. Credit scoring uses a number of factors to work out risks involved in any application. A score is given to each factor and a total score obtained and this together with other factors will be used to assess your application for a quote or a policy.

The credit reference agencies will keep a record of the search and you may see this recorded on your credit file. If you want to check the information that the credit reference agencies hold about you then you can contact them directly.

Claims and Underwriting Exchange and Other Registers and Databases

We, the insurer and/or the re-insurer exchange information with various databases and registers to help us check information provided, to detect and prevent crime or fraud and to obtain information about your no claims history. These may include the Claims and Underwriting Exchange Register, the Hunter Database, the Motor Insurance Anti-Fraud and Theft Register, the No Claims History Database and any other relevant industry databases or registers. Under the conditions of your policy, you must tell us about any incident (such as an accident or theft) which may give rise to a claim whether or not a claim is made. When you tell us about an incident, we or the insurer will pass this information to the registers and any other relevant registers.

Motor Insurance Database

Information relating to your insurance policy will be added to the Motor Insurance Database ("MID")

managed by the Motor Insurers' Bureau ("MIB"), MID and the data stored on it may be used by certain statutory and/or authorised bodies including the Police, the DVLA, the DVLANI, the Insurance Fraud Bureau and other bodies permitted by law for purposes not limited to but including:-

- i. Electronic Licensing
- ii. Continuous Insurance Enforcement
- iii. Law enforcement (prevention, detection, apprehension and/or prosecution of offenders)
- iv. The provision of government services and/or other services aimed at reducing the level and incidence of uninsured driving.

If you are involved in a road traffic accident (either in the UK, the EEA or certain other territories), insurers and/or the MIB may search the MID to obtain relevant information.

Persons (including his or her appointed representatives) pursuing a claim in respect of a road traffic accident (including citizens of other countries) may also obtain relevant information which is held on the MID. It is vital that the MID holds your correct registration number. If it is incorrectly shown on the MID you are at risk of having Your vehicle seized by the Police. You can check that your correct registration number details are shown on the MID at www.askMID.com.

Existing Data

We will check our existing records to see if you have held a policy or obtained a quote with us or any of the brands BISL Limited administer before. We will also share personal data with our other brands, Group Companies and insurers for these purposes.

Checking and comparing this data helps us to assess your quote (including at renewal). This data will also be used for research and analysis in accordance with the section headed "What do we use your data for?" below.

Publicly available sources

We or our insurers use some open sources of data which are not personal data (such as information about particular geographic areas) and combine this with the personal data that we hold about you (such as your own address) in order to assess insurance risk and provide you with an accurate quote.

Providing data about other people

We will sometimes need you to provide us with data about other people, for example where another person is being added to the policy as a joint policyholder or named driver. Where you give us data about someone else, you must make sure that you have made that person aware of this Privacy Policy. If we ask you to confirm your consent to certain data being processed, you are giving consent for your data and any relevant data relating to the other person to

be processed. Where this privacy policy refers to "your data" this also includes data about anyone else named on the policy or whose data you provide us with.

What do we use your data for?

The data that we hold is used for the following purposes:-

Part 1 - Providing you with a quote and administering your policy

The personal data that we use for the purposes set out in this Part includes information you provide during your quote, information about previous or existing policies held by us or our insurers, identification information, information from credit reference agencies, your policy and payment history and behavioural information that we gather from your use of our website and how you manage your policy.

Providing you with a service

As you would expect, this data is used to provide you with the service you have requested, for example a quote or an insurance policy. When you take out a policy, we will continue to use your data to provide you with annual renewal quotes and where we can we will use the data to automatically renew your policy and continue to provide you with insurance cover. If you would prefer that we don't use your data to automatically renew your policy then you can opt out of the automatic renewal process by contacting us. This means we will still use your data to generate a renewal quote but your policy will not renew unless you tell us that you would like to accept the renewal quote. You can find more information about this in your policy documents.

We also use this data (including data held in relation to our other brands) to help us build up a picture of you a customer. This allows us to carry out more accurate assessments of you as a customer when you apply for products with us, including creditworthiness assessments. It helps us to provide you with more relevant information such as making sure we show you the right content at the right time. We also use this information to help calculate your future quotes. This information will also be shared with our insurers for these purposes.

Data protection law says that we have to tell you the legal basis on which we process your personal data.

In relation to personal data used for the purposes described in this Part 1, we process this data because it is necessary to perform the contract that we have in place with you to provide you with the quote or the policy that you have requested.

Part 2 – Fraud Prevention

In order to prevent and detect fraud we and/or the insurer or the re-insurer may use the personal data set out above at any time to:

- Undertake credit searches;
- Check and/or share your details with fraud prevention and detection agencies; and
- Share information about you with other organisations including the police, where necessary and proportionate.

If false or inaccurate information is provided and fraud is identified, details will be passed to fraud prevention agencies. Law enforcement agencies may access and use this information.

We, the insurer or other organisations may also access and use this information to prevent fraud and money laundering, for example when: checking details on applications for credit and credit related or other facilities; managing credit and credit related accounts or facilities; recovering debt and tracing beneficiaries; checking details on applications for new products and dealing with claims for all types of insurance.

In relation to personal data used for the purposes described in this Part 2, we process this data because we have a legitimate business interest in carrying out these activities to protect against fraud and because there is a substantial public interest in preventing and detecting crime including fraud.

Part 3 – Other Uses of Data

Marketing

When you request your quote you will be given an opportunity to confirm whether you are happy to receive marketing material from us. If you confirm you are happy to receive this material, we will use your postal address, email address and telephone number to send you marketing materials by post, email, telephone call or SMS. We do not pass your data to third parties for marketing purposes.

You can change your mind at any time by logging into your Self Service Centre and updating your preferences. You can also unsubscribe from emails by clicking on the unsubscribe link on any marketing emails that we send you or by contacting us.

This will not impact any communications that we need to send you for the purpose of your policy, for example communications about your renewal, updates about your policy or information about any quotes we've provided to you.

We use the data we hold to help us understand our customer demographic to help us improve the services that we provide to you and to help us target our advertising and marketing so that we show customers adverts or marketing which may be more relevant to them. We may sometimes work with carefully selected third parties to do this for example using advertising services provided by organisations such as Google and Facebook and may share data with them to carry out this research and analysis, however will not sell your data to third parties for them to market to you.

Market Research

From time to time we may want to use your postal address, email address and/or telephone number to contact you to assist us with our research by asking you a few questions about the service you have received or by asking if you would like to complete a review of our services. We may sometimes ask market research companies to contact you on our behalf.

If you would prefer us not to contact you for market research purposes then you can let us know by contacting us.

Research and Analysis Activities

We use data relating to your quotes or your policy, including your claims history, to carry out various research and analysis activities to help us to regularly review and improve the products and services we provide and carry out research relating to underwriting, claims and pricing. We also share this data with our insurers to enable them to use this data for these purposes. Where possible, data will be shared on an anonymised basis. The data will not be used to make any decisions that will affect you or any other individual.

We also use the data that we collect about you through your website usage to carry out research and analysis into usage and activities on our website to enable us to continue to improve our website and our products and services.

In relation to personal data used for the purposes described in this Part 3, we process this data because we have a legitimate business interest in carrying out these activities to promote and improve our business. We have ensured appropriate safeguards to protect your rights when processing this data for these purposes.

Part 4 - Special Personal Data and Criminal Convictions

In order to provide your quote and administer your policy we may ask you to provide data which data protection law classifies as "special personal data". This includes information about your health (such as any medical conditions) or information relating to criminal convictions or alleged or actual criminal offences.

Where we collect special personal data and criminal conviction or offence data to provide you with your quote and your policy, we process this data because it is in the substantial public interest to do so for the purposes of advising on, arranging, underwriting or administering an insurance contract.

It may also be necessary for us to retain a copy of any special personal data and criminal conviction or offence data for the purpose of making or defending claims or preventing or detecting crime, including fraud.

How long do we keep data?

We'll only keep your personal data as long as we need it and ensure it is securely destroyed when it is no longer required. We do however need to keep certain data after your policy has ended for certain periods as detailed below.

Generally, if you take out a policy with us, you can expect us to keep your data for a period of 10 years following the end of your policy unless there is a requirement for us to keep the data for longer, for example if there are any ongoing queries or claims relating to the policy.

We keep data for these periods as it plays an important part in allowing us to undertake fraud detection and prevention activities, allows us to deal with any queries or complaints that may arise regarding the quote and allow us to carry out research and analysis to help us improve our products and services (as described in the section headed "What do we use your data for?" above).

Overseas Transfer of Data

We may use third party suppliers to process personal data about you. Some of these suppliers may be located in countries outside the UK which may not have equivalent laws in place to protect your personal data. For example, we use third party software suppliers to process data such as your IP address and email address. Our insurers may also process personal data in countries outside the UK which may not have equivalent laws in place to protect your personal data. Our insurers are data controllers in respect of any such processing.

Whenever we do use third party suppliers to process personal data about you outside the UK we will ensure that your personal data is kept securely, is only used for the purposes set out in this Privacy Policy and is afforded equivalent protection as it would be if it were processed in the UK. We do this through various mechanisms, for example making sure that European Commission approved contractual clauses are in place with the supplier or ensuring that suppliers who process personal data in the USA are signed up to the Privacy Shield arrangement. If you would like any further information please contact us using the details in the "Contacting Us" section.

Your Rights

Data protection law gives you various rights in relation to your personal data. All the rights set out below can be exercised by contacting us using the contact details set out under the "Contacting us" section below. Those rights include:-

- You have the right to ask us to provide a copy of the personal data that we hold about you. This is called a Data Subject Access Request or "DSAR".

You can access information about your policy and your policy documents by logging into your Self Service Centre. If you want to receive other personal data that BISL Limited holds then please contact us using the contact details below. When contacting us please describe the information you require and include the following: your full name, your date of birth, your full address and your quote/policy number. For security purposes we may need to ask you for further information to verify your identity. If you require information sending to different contact details to those held on your policy please include a copy of your passport or driving licence and proof of address such as a recent utility bill to assist us in verifying your identity. We might also need to ask you for additional information to help us locate the data that you are looking for.

Once we have all the information that we need to process your DSAR, we will respond within one month unless your DSAR is very large or complex, in which case we may need to extend this period. If we need to do this we will let you know.

If you want to make a DSAR in relation to personal data that is held by the insurer of your policy then you will need to contact the insurer directly. You can find their details in your policy documents.

With effect from 25 May 2018, data protection law provides you with the following rights:

- You have the right to ask us to correct inaccurate personal data that we hold about you. If you think any of your personal data is inaccurate, please contact us and, provided we can verify your identity and are satisfied as to the accuracy of the correction requested, we will correct the relevant personal data as soon as we can.
- You have the right to request that we provide a copy of your personal data in a machine readable format or to ask us to send your personal data to another company. This applies to personal data that you have provided to us, which we have processed electronically, such as data you entered on our website when you obtained a quote.
- You also have the right to ask us to delete personal data that we hold about you. We are obliged to delete personal data in some circumstances, such as where it is no longer needed. However, data protection laws allow us to keep the personal data if we need to, for example if the data is needed to allow us to administer your policy or if the data is needed for fraud prevention. In any case, we will retain your personal data in line with the retention periods detailed under "How long do we keep data?" above.
- You have the right to ask us not to do anything with your personal data except store it in limited circumstances, such as if you and we do not agree on the accuracy of personal data and steps are required to validate it.

- You have the right to object to us processing certain personal data about you. For example, you can ask us to stop processing data for marketing or market research purposes. However, where we need to continue to process the personal data, for example to administer your policy or for fraud prevention purposes, we are not obliged to stop processing it.
- You have the right to ask to review significant decisions that we have made about you wholly by automated means. The nature of the quotes that we provide to you means that we have to use this kind of automated decision making in relation to your personal data (including special categories of personal data) to assess your quotes. This means that our computers will consider lots of different pieces of information about you and about the policy you have requested (such as information about your vehicle) in order to calculate whether or not we are able to offer you a quote, at what price this should be and whether we can offer you a credit agreement to pay for your premium. Automated decision making will be used when you request a quote, when we are considering whether we can offer you a renewal quote and also if any changes are made to your policy. If you ask us to review the decision, we will make sure that it is examined by a human and we will confirm the outcome to you. This does not necessarily mean that the decision will be changed.

What to do if You break down

If You are unfortunate enough to break down please follow these simple steps:

1. Call the appropriate number 0800 056 3402.
2. Have to hand Your Policy number and Vehicle registration.
3. Advise the operator of the location of Your Vehicle and the nature of the fault.

RAC will then advise how to proceed and what form of assistance would be the most appropriate.

Remember to always call RAC first. Please do not go ahead and make Your own arrangements as RAC cannot reimburse costs incurred without prior authorisation.

Breakdowns on motorways

On continental motorways (including service areas) You MUST use the roadside emergency telephones. You cannot call RAC control centres from these. You will be connected to the police or authorised motorway service, who will send a breakdown recovery Vehicle.

However, this will only be to the recovery company's own depot if they cannot fix Your Vehicle – contact RAC using the numbers above as soon as You can, if possible from the recovery company's depot.

You may have to pay labour and towing charges on the spot – an authorised tariff is normally applicable. These items are covered and You should obtain a receipt to claim a refund on Your return Home.

Mobiles and car phones

RAC will not reimburse the cost of any telephone calls You make in connection with any Breakdown under this Policy (including mobile phone calls). It may not be possible for an RAC control centre to call a mobile or car phone but when it is, You may still have to pay the cost of any international call.

Some service providers charge for calls to free phone numbers. The regulations on the use of mobile and car phones vary from country to country. Please check with Your service provider that Your phone meets the requirements and standards for the countries in which You are travelling.

Service in the UK

Cover applies to Vehicles registered with the relevant Vehicle Licensing Agency only.

Terms and conditions for Roadside

Roadside

Roadside assistance is available in the United Kingdom and the Republic of Ireland. If You are stranded on a public highway (or other road or area to which the public has the right of access) as a result of a Breakdown to Your Vehicle, We will send an RAC patrol or contractor to help You.

We will try to repair Your Vehicle at the roadside. Roadside includes labour at the scene of the Breakdown (but not labour at any garage to which the Vehicle is taken). If We cannot repair the Vehicle at the roadside, and We believe repairs are unwise or cannot be completed within a reasonable time, We will take the Vehicle and up to 8 people to a destination of Your choice within 10 miles from the scene of the Breakdown. If You have no preferred destination, We will take the Vehicle to a nearby garage. If You wish the Vehicle to be taken to any other destination, You will have to pay for the towage costs for the whole distance. If You need to leave Your Vehicle at the garage We will reimburse You for taxi fares up to 20 miles (a receipt must be obtained).

Roadside does not cover

- Breakdowns which would be prevented by routine servicing of Your Vehicle.
- Routine servicing of the Vehicle.
- Missing or broken keys. We will try to arrange the services of a locksmith but You will have to pay for them.
- Replacing tyres or windows.
- The cost of ferry crossings, road tolls and congestion charges.
- Vehicles being demonstrated or delivered by motor traders, or used under trade plates.
- Vehicles which break down within 1/4 mile of Your Home address or where You normally keep the Vehicle.
- Vehicles, which, in the reasonable opinion of Our patrol or contractor, had broken down or were unroadworthy before You took out Your Policy.
- Contaminated fuel problems. We will arrange for Your Vehicle to be taken to a local garage for assistance, but You will have to pay for the work carried out.
- The cost of parts, fuel or other supplies.
- Any Vehicle storage charges incurred when You are using Our services.
- Labour at any garage to which the Vehicle is taken.
- Breakdown caused by or following an Accident, fire, theft or act of vandalism. If You call Us for assistance following such an incident You will be liable to pay Us for removal. (Subject to the terms of Your M&S Car Insurance Policy, You can then reclaim these costs through Your insurance).
- The tow or transport of any Vehicle, which, in Our reasonable opinion, is loaded beyond its legal limit.
- Any Vehicle in a position where We cannot work on it or tow it, or whose wheels have been removed, We can arrange to rectify this but You will have to pay the costs involved.
- Any animals in Your Vehicle. Please note that their onward transportation is at Our discretion and solely at Your risk. We will not insure any animal, including livestock in transit, during any onward transportation We undertake.

Terms and conditions for Recovery

Recovery

Recovery is available in the United Kingdom. Residents of Northern Ireland are also entitled to be recovered from the Republic of Ireland.

Recovery has the same terms and conditions as Roadside but with the following variations:

If We cannot get Your Vehicle repaired locally within what We deem to be a reasonable time, We will take the Vehicle and up to 8 people to Your Home within the UK or a single address anywhere within the UK. If there are more than 5 people this may require two separate Vehicles. An adult must accompany any persons under the age of 16. You can use Recovery if You are ill, and there are no passengers who can drive the Vehicle, so that You cannot continue Your trip. You must show Us a doctor's medical certificate confirming Your inability to drive (in these cases, We will provide this service at our reasonable discretion).

Recovery does not cover

- Any Vehicle which in Our reasonable opinion was broken down or unroadworthy at the time You took out Your Policy.
- The use of Recovery as a way to avoid paying repair costs.
- A second Recovery if:
 - a. the original fault has not been repaired properly by a third party;
 - b. RAC have advised You that it is a temporary repair; or
 - c. the desired destination cannot accept the Vehicle due to company opening hours or other restrictions.

If a second Recovery is required this service can be provided but a charge will be made dependent on the service required, time of day and distance. These charges will be payable by credit/debit card prior to the relevant service being provided.

- Service within 24 hours of commencement of this Policy.

Terms and conditions for At Home

At Home

At Home is available in the United Kingdom. At Home has the same terms and conditions as Roadside but with the following variations:

At Home allows You to use Roadside within 1/4 mile of Your Home address or where You normally keep the Vehicle.

At Home does not cover:

- The rectifying of failed or attempted repairs.
- Recovery of the vehicle.
- The reimbursement of taxi fares.
- Service within 24 hours of commencement of this Policy.

Terms and conditions for Onward Travel

Onward Travel

Onward Travel is available in the United Kingdom.

Onward Travel benefits must be arranged at the time of Breakdown and cannot be requested later. You are entitled to one of the following extra benefits once We have decided that We cannot get the Vehicle repaired locally:

- Replacement car hire.
- Alternative transport costs.
- Hotel accommodation.

You can use the Onward Travel benefits from Your Home address or within a quarter of a mile of Your Home address. This excludes incidents where We have been called to rectify failed repairs.

Replacement car hire

We will pay for:

- Insurance (including Collision Damage Waiver).
- Up to one day's hire cost of a manual car of similar cubic capacity to Your Vehicle up to 1600cc if Your Vehicle is being repaired.

Replacement car hire is subject to availability and Our supplier's terms and conditions, which will usually include:

1. Age limits. Drivers must be at least 21 years of age.
2. The need to have a current driving licence, and, if held, a driving licence photo card, with You.
3. Limits on acceptable types or numbers of motoring offence penalties and/or penalty points endorsed on Your driving licence.
4. The need to provide a valid credit card number (alternatively, the car rental provider will require a deposit of no less than £50 and may also undertake a simple credit check, before releasing the Vehicle to You).

Hire cars are not usually available with a tow bar, and therefore Your caravan or trailer will, if eligible, be recovered under the Recovery benefit with Your broken down Vehicle.

After taking a fair and reasonable view of the circumstances, We may decide that a hire car is not a practicable solution, and hotel accommodation or alternative transport will be provided instead.

If You require a second or any other type of Vehicle We will try to arrange this for You but You will have to pay for any additional costs.

Alternative transport

We will reimburse You for standard class rail or other transport of Our choice for up to 8 people to reach the end of their journey within the UK. We will pay up to £150 per person or £500 for The Party whichever is less.

Hotel accommodation

We will arrange and reimburse You for one night's bed and breakfast for up to 8 people in a hotel of Our choice. We will pay up to £150 a person or £500 for The Party whichever is less. You will have to pay for any extra hotel or transport costs.

Special medical assistance

Onward Travel also provides special medical assistance. If You or one of Your passengers is taken into hospital more than 20 miles from Home We will arrange and pay for overnight accommodation for the other passengers, as described in 'Hotel accommodation' above. We will also arrange for an ambulance to take the patient to a local hospital near to their Home once medical permission has been given. Special medical assistance is not available for planned hospital visits.

Onward Travel does not cover

- Other charges arising from Your use of the hire car benefit, such as fuel costs, deposit, any insurance excess charges, collecting and returning the vehicle and any costs due to You keeping the car after the agreed period of hire (You must settle these charges directly with the supplier).
- If You are unfortunate enough to have an incident with the hire vehicle and You make an insurance claim, You will be responsible for paying any excess.
- Service within 24 hours of commencement of this Policy.
- Breakdowns in the UK resulting from road traffic accidents, vandalism, fire or theft.
- Any of the Onward Travel benefits, as stated above, before Our attendance of the Breakdown incident.

We will pay for:

- attendance of local breakdown or garage services to repair the Vehicle at the roadside if possible; or
 - tow of the Vehicle from the place of Breakdown or Accident to the nearest local repairer where You may arrange repairs and either:
 - a) a contribution towards labour charges at a garage (restricted up to the total claims limit) if it is possible to effect the repairs necessary to enable the Vehicle to continue the journey on the date of Breakdown; or

 - storage charges for the Vehicle while awaiting repair or repatriation; and

- We will not pay for:**
- any labour costs other than those incurred at the roadside. We will not pay labour costs at any garage to which the Vehicle is taken other than under paragraph 2 above; or

- the cost of parts used for roadside or garage repairs; or
- the cost of any repairs not directly necessary to enable the Vehicle to continue the journey on the date of the Breakdown; or
- the cost of any other supplies, including but not limited to Specialist Equipment.

a) Additional accommodation expenses

We will pay up to £30 per person per day towards necessary additional (not alternative) accommodation expenses (room only) while You wait for Your Vehicle. We will not pay for the costs of meals and any extra costs that are not specified above.

Or

b) Journey continuation or return Home

A contribution (restricted to the total claims limit) to travel expenses to allow You to either:

- Continue the planned journey during the period Your Vehicle is not roadworthy.
- Return Home by direct route.

Expenses can comprise of self-drive car hire up to 14 days per Claim, including Collision Damage Waiver and replacement Green Card as necessary, or second/standard class rail, or a combination of both.

RAC will, at its reasonable discretion decide which course of action to adopt, but RAC will take into consideration Your preference.

You must collect the Vehicle when repaired as once the Vehicle is repaired and You have been notified, RAC will not pay any further expenses other than the costs of collection.

This benefit is also available if Your Vehicle is stolen and not recovered within 24 hours of reporting the matter to the police. A police report must be obtained. However, this benefit will cease if Your Vehicle is recovered in a roadworthy condition.

We will not pay for:

You are entitled to either of the following services:

You will have the following cover if RAC can confirm that repairs cannot be completed by your planned return date to the United Kingdom and providing the cost of repatriation is not uneconomical. (Repatriation will be uneconomical if it will cost more than the UK market value of Your Vehicle according to the Glass' guide or other appropriate industry standard used by RAC). Cover is available for either:

a) Vehicle repatriation

We will pay for the cost of taking the Vehicle by road transporter from abroad to Your Home or chosen UK repairer for repair. We will also pay the costs of packing and freighting Your baggage if the Vehicle is declared a "Write-off" by the Vehicle's insurers. When repatriation is authorised it normally takes 10-14 working days for delivery to a UK address from most west European countries. At busy times and from east European countries it may take longer. If the Vehicle has been fitted with a roof box or bicycle rack, You must remove and place it inside the Vehicle. The roof box keys need to be left with Your Vehicle keys.

- Up to £30 per night for single room hotel accommodation necessary to complete the round trip (limited to room only).

We will not pay for:

- First class rail fares.
- The cost of any meals.
- The costs of more than one person.

Note: The appropriate RAC control centre will, after taking a fair and reasonable view, decide whether Your Vehicle should be repaired abroad for You (or someone nominated by You) to return and collect.

Authority for repatriation or repair

If Your Vehicle is not able to be driven due to a road traffic Accident, fire, break-in or theft, any damage which You are entitled to have repaired by Your motor insurers must be reported to them immediately. Your insurers must decide whether to declare the Vehicle is a write-off, authorise repair abroad or have the Vehicle repatriated. We cannot repatriate the Vehicle unless Your insurers first give their permission.

We also reserve the right to negotiate with them to reclaim costs incurred. If Your insurers cannot or do not give permission to repatriate then it is Our decision alone whether to declare the Vehicle a write-off, or repatriate or repair locally a Vehicle which cannot be driven as a result of a Breakdown, or as a result of a road traffic Accident, fire or theft, for which You do not have fully comprehensive cover.

Additional services

We will pay for the costs of providing the following if applicable:

Vehicle break-in, emergency repairs

We will pay for:

The cost of immediate emergency repairs necessary to make Your Vehicle secure in the event of damage to windows, locks or windscreen caused solely by forcible entry, or attempted forcible entry, up to £175 provided You report the matter to the police either before contacting Us or within 24 hours of contacting Us, and You have obtained a written report from the police.

We will not pay for:

- The cost of repairs if they are not to make Your Vehicle secure and for the reasons stated.
- Any repair costs if You do not obtain a police report and submit it with Your Claim.

If as a result of a Breakdown Your Vehicle needs parts but these are unavailable locally We will pay for:

- Freight, handling and ancillary charges for dispatch of spare parts not obtainable locally.
- The fare for one person to collect parts from the appropriate railway station or airport.

The cost of parts themselves, which must be paid on receipt. When telephoning the RAC control centre You will be asked for Your credit card details. Alternatively You will be asked to pay for the part(s) direct to the repairer.

Accidental damage to or loss of tent

We will pay for:

A contribution to accommodation expenses of up to £30 per person per day if during the Period of Cover You are camping and Your tent is damaged accidentally making it unusable, or it is stolen. Alternatively, We may at Our option authorise the cost of a replacement tent.

If Your tent is stolen You must report the theft to the police within 24 hours and obtain a written report.

We will not pay for:

- The cost of meals or any other costs that are not specified above.
- Damage caused by weather conditions.
- The cost of a replacement tent not authorised by Us.
- Any costs if Your tent was stolen and You do not report the theft to the police within 24 hours and obtain a written report.

We will pay for:

The cost of relaying urgent messages from the appropriate RAC control centre to Your immediate relatives or close business associates if the Vehicle cannot be driven because of Breakdown, Accident or fire or it is stolen.

We will not pay for:

- The cost of non urgent messages or messages to persons not described in the previous paragraph.

- Replacement driver cost if there is another qualified driver in The Party who is fit to drive.
- More than one Claim per journey abroad.

Customs claims indemnity

We will pay for Continental or Irish Customs claims for duty if:

- the Vehicle is beyond economic repair as a result of fire or theft abroad during the journey and it has to be disposed of abroad under Customs supervision; or
- it is stolen abroad during the journey and not recovered. RAC will deal with necessary Customs formalities.
- to arrange, please call: RAC European Support, 0870 5 49 33 20 (Calls may be recorded and/or monitored) Monday-Friday 9am-5pm.

We will not pay any import duties not relating to the Vehicle.

Please note:

You may only make one Claim per journey and You may make a maximum of two Claims per year. There is an overall limit of £2500 per Claim applied to the European section of this Policy.

Policy requirements and limitations

Credit card details

We will require Your credit card details if We arrange

a service for You which is not covered by, or exceeds, any levels specified in the part entitled "Terms and Conditions". If You do not provide Us with Your credit card details RAC will not be able to provide certain services which will be notified to You when credit card details are requested.

Caravans and trailers

The Vehicle restrictions in this Policy apply equally to caravans and trailers except that the maximum length of trailers and/or caravans must not exceed 7.6 m. If the Vehicle which has suffered a Breakdown is towing a caravan or trailer and We provide Recovery, the caravan or trailer will be recovered together with the Vehicle to a single destination. Other than as set out in this paragraph caravans and trailers are not covered by this Policy.

We do Our best to find solutions to motoring problems, but We regret We cannot arrange a replacement caravan or trailer in the event of Breakdown or Accident damage which cannot be repaired. It is also virtually impossible to hire vehicles with tow bars and it may become necessary to repatriate a caravan or trailer together with a towing vehicle which cannot be repaired abroad by the return date.

Unforeseeable losses or events

Except in relation to any claim You may have for death or personal injury, if We are in breach of the arrangements under this contract, We will not be liable for any losses or damages which are not a reasonably foreseeable result of any such breach, for example, loss of profit, loss of revenue or anticipated savings, loss of contacts, or for any business losses.

We do not guarantee the provision of any of the benefits under Your Policy, if there is anything beyond Our reasonable control or the reasonable control of any service provider which prevents Us or a service provider from providing that benefit. We reserve the right to refuse to give service and/or cancel Your Policy if You or anyone using Your Policy behaves in a threatening or abusive way towards any persons providing service under this Policy.

Taxi bookings

In some circumstances it can be quicker and easier for You to arrange a taxi. We may ask You to make Your own arrangements for taxi service. If so please send Your receipts to Us and We will reimburse You.

Service providers

Unless the services are provided by RAC patrols or contractors acting on Our instructions and on Our behalf, We do not give any guarantee as to the services provided by garages, breakdown/recovery companies, repairers, car hire companies and other third party service providers whose emergency services We arrange on Your behalf and/or pay for under European Motoring Assistance – they do not act as Our agents or subcontractors and We do not accept responsibility for their acts or omissions. You should check that any repairs to Your Vehicle are carried out to Your reasonable satisfaction.

Vehicle condition

Your Vehicle must be roadworthy and in good mechanical condition when You apply for cover and You must keep it in that condition.

Fraud

If any claim is found to be fraudulent in any way Your Policy will be cancelled immediately and all claims forfeited.

Motor insurance

RAC European Cover is not motor vehicle insurance. Please refer to Your M&S Motor Insurance Policy for full information regarding driving abroad.

Disruption in country

Our service in certain countries may become disrupted or unavailable due to prevailing conditions in that country. For example strike action may delay or prevent our service under this Section E. If this is the case, we will not be liable for any losses that the driver may suffer as a result of the disruption or unavailability of our services. To obtain current information on conditions in the countries you are travelling to please refer to the Foreign and Commonwealth office website at: www.gov.uk/government/organisations/foreign-commonwealth-office or email: TravelAdvicePublicEnquiries@fco.gov.uk

Important self-drive hire car information

We will normally try to arrange a hire car similar in seating capacity and volume to, but not necessarily the same as, Your Vehicle, if there is one available. If You were travelling in an MPV or similar vehicle We may arrange two hire cars. We will only arrange this if there are two qualified drivers in Your Party. Otherwise, We will arrange alternative means of transport.

Self-drive car hire arranged under Your cover will be subject to the normal conditions of the hiring company. These will include limitations on driver age, driving convictions and other licence penalties etc. The driver must also have held a full UK driving licence or equivalent for a minimum of one year (two years for France).

Your credit card details will also be required as security for the hire and to cover extras such as top up of the fuel tank when returning the vehicle. Car hire companies insist on having credit card details at the time of booking and the card must be produced at the time of hiring the car. The name on the credit card and the name of the driver of the hire vehicle must be the same. Switch cards and debit cards are not acceptable.

If You leave a hire car at a different location to the one arranged by the RAC control centre You must pay any collection charge which may be incurred.

Please note that many car hire companies across Europe charge a damage excess which is not covered by the Collision Damage Waiver (CDW).

In some parts of Europe hire cars are not allowed to cross national borders. In Greece and eastern Europe international drop-offs are not permitted. It may be necessary therefore to arrange two hires or alternative

transport to complete Your journey. A car hired abroad must not be brought into the United Kingdom. A second car hire will be arranged for the United Kingdom part of Your journey.

We cannot guarantee a hire car will be available. We cannot arrange the hire of motorised caravans, motorcycles, convertibles or vehicles with tow bar, a roof rack, roof boxes, an automatic gearbox, sports cars, 4x4 or luxury class vehicles and cannot guarantee the hire of minibuses or vans. We will not be responsible for any delays in obtaining a hired vehicle and cannot guarantee to provide it in time to connect with Your pre-booked ferry, etc. You may have to collect a hired vehicle from the nearest available place of supply.

Special requirements for Vehicles with over 9 seats

The supply of minibuses as a replacement vehicle can often prove difficult. When one is available the following regulations apply:

Drivers must be at least 21 years old and have a full year's car driving experience. Special documents and tachographs are mandatory throughout the European Union. For more information contact Your local Department of Transport Area Office for details.

Repayment of credit

You must pay back to Us on demand:

1. Any costs We have paid for which You are not covered under Your Policy.
2. The cost of any spare parts supplied.

Spares despatch

After You have asked the appropriate RAC control centre to despatch parts You are responsible for paying for them in full, even if You later obtain them locally. We will arrange to despatch parts as quickly as possible but delays will occur at weekends and bank holidays. We will not be responsible for manufacturers' or suppliers' errors, loss or damage of parts in transit or any delay in delivery.

Policy exclusions (Service in the UK and abroad)

In addition to any limits and exclusions noted elsewhere in this Policy, We will not cover:

1. Costs for anything which was not caused by the incident You are claiming for.
2. Vehicles which have broken down as a result of taking part in any motor sport event or off road activity (including, without limitation rallies or stock car racing) which takes place off the road and/or is not subject to the normal rules of the road. However, vehicles participating in any event (such as a treasure hunt, touring assembly or navigational road rally), which takes place on, and complies with the normal rules of the road will be covered.
3. Any Claim if the Vehicle suffers a breakdown at a motor traders premises, garage or premises offering vehicle repair.
4. The cost of all parts, garage, labour or other costs in excess of Your Policy limits set out in the part(s)

entitled "Terms and Conditions". Please note these costs in Europe are likely to be higher than the United Kingdom.

5. Loss caused by any delay, whether the benefit or service is being provided by Us or someone else (for example a garage, hotel, car hire company, carrier, etc).
6. Any incident affecting a vehicle hired under the terms of this Policy.
7. Routine servicing of Your Vehicle.
8. The cost of a glass or tyre specialist. We will arrange for Your Vehicle to be taken to a nearby garage for assistance but You will have to pay for any work carried out on the Vehicle. Any other Recovery may be arranged but You will be liable for any additional costs.
9. The cost of a locksmith if You lose, break, or lock Your keys in Your Vehicle. If We are unable to open Your Vehicle for any reason, We will arrange for a locksmith to attend where available, but You will be responsible for the costs. If a locksmith is not available, We will arrange for Your Vehicle to be taken to a nearby garage for assistance but You will have to pay for any work carried out on the Vehicle. Any other Recovery may be arranged but You will be liable for any additional costs.
10. Any consequence whatsoever which is the direct or indirect result of any of the following, or anything connected with any of the following, whether or not such consequence has been contributed to by any other cause or event:
 - a) War, invasion, act of foreign enemy, hostilities or a warlike operation or operations (whether war be declared or not), civil war, mutiny, rebellion, revolution, military uprising, insurrection, civil commotion assuming the proportions of or amounting to an uprising, military or usurped power.
 - b) Terrorism

Terrorism is defined as any act or acts including, but not limited to:

 - i) the use or threat of force and/or violence and/or
 - ii) harm or damage to life or to property (or the threat of such harm or damage) including, but not limited to, harm or damage by nuclear and/or chemical and/or biological and/or radiological means caused or occasioned by any person(s) or group(s) of persons in whole or in part for political, religious, ideological or similar purposes including, but not limited to, the intention to influence any government and/or to put the public or any section of the public in fear, or is claimed to be caused or occasioned in whole or in part for such purposes.

c) Any action taken in controlling, preventing, suppressing or in any way relating to (a) or (b) above.

Important Information about Our Insurance Intermediary Services

Your contract with BISL Limited ('We/Us/Our')

BISL Limited is an insurance intermediary and you will enter into two separate contracts when you take out an insurance policy through Us. The first contract is with Us and sets out the terms and conditions under which We will arrange and administer your insurance policy on your behalf and any fee(s) that We shall charge you for providing Our insurance intermediary services. Use this information to decide if Our services are right for you.

You will also enter into a separate contract with the insurer for providing your insurance. Details of the premium charged and the terms and conditions relevant to the insurance policy are set out in your Welcome Pack. When you purchase additional products or pay for your policy by installments using a fixed sum loan agreement, you will enter into further contracts with each insurer or supplier for these services.

Your demands and needs

We have not provided advice on whether the policy is suitable for your needs or made any recommendations. We offer products from a range of insurers for car insurance.

What Insurance Intermediary Services will We provide?

Our services We will provide to you on your behalf include:

- Arranging your vehicle insurance by selecting a range of prices from Our panel of insurers that We can offer, arranging your cover with the insurer based on your requirements, dealing with your payment and providing you with the details and documentation relating to your policy.
- Deal with your requests for adjustments you have to make to your policy, such as changes to the cover required, the use and/or vehicle insured. We will notify the insurer, deal with any amendments of risk or adjustments of premium required and provide you with confirmation of any changes to your policy. We may arrange cover with an alternative insurer if the amendments to your policy are not acceptable to your original insurer.
- We will also arrange the cancellation of your policy at your request, notifying the insurer, dealing with any refunds of premium, confirming the changes to your policy and arranging for the return of documents.
- Deal with your requests for any duplicate or replacement documentation relating to your policy and/or additional products.
- We will arrange optional additional add-on products where you consider these products meet your needs. • We will also arrange the renewal of your insurance and additional products based on your requirements (see Automatic Renewal section below).

Our fees and charges

We will charge you the following fees where applicable for providing Our insurance intermediary services to you:

Cancellation fee

If either you or We cancel within 14 days of receiving your policy documentation We will charge you the cost for the amount of time you have been covered unless you have made a total loss claim in which case no refund will be given and all premiums would be due. If either you or We cancel more than 14 days after receiving your policy documentation We will charge you a fee of £50 and the cost for the amount of time you have been covered. This is providing no claims have been made. If a claim has been made, or there has been an incident which may lead to a claim, no refund will be given and all premiums would be due. In this event you will not be charged the £50 fee. If upon investigation we find that you are no longer eligible for an add-on product, a refund will be provided on a pro-rata basis. We have provided you with information on how to cancel your policy in the cancellation section of your Motor policy wording, Section 15. This clearly sets out Our approach to providing you with a refund of premium for your time on cover. We will pay any refund due to the bank account or credit/debit card we hold on file.

Administration fee

If you make an underwriting change to your policy after the first 14 days, we may charge an administration fee of £25. We have provided you with a list of examples of the things that We need to know about in the Important customer information section of your Motor policy wording, Section C.

Compensation

We are covered by the Financial Services Compensation Scheme (FSCS). You may be entitled to compensation from the scheme if We cannot meet our obligations. This depends on the type of business and the circumstances of the claim. Insurance advising and arranging is covered for 90% of the claim, without any upper limit. For compulsory classes of insurance, insurance advising and arranging is covered for 100% of the claim without any upper limit. Further information about compensation schemes arrangements is available from the FSCS website www.fscs.org.uk or write to Financial Services Compensation Scheme, 10th Floor, Beaufort House, 15 St Botolph Street, London, EC3A 7QU.
