

M&S Car Insurance dash cam offer

Terms and conditions

Customers will qualify for a free RAC107 Dash Cam if they purchase a premier car insurance policy through the M&S Bank website or over the telephone, subject to the remainder of these Terms and Conditions.

Customers must obtain a quote before the campaign end date of 2 October 2017 and go on to take out their premier policy within the quote validity period.

The dash cam will be automatically dispatched within 3 weeks of the policy cooling off period ending. The cooling off period extends to 60 days from the date the policy is taken out. No dash cam will be issued if customers cancel their policy within the cooling off period.

Manufacturer T&Cs will apply. The dash cam will contain specific restrictions for use and may have associated health and safety information. This information will be included with the dash cam when it is sent out to eligible customers. It is the customer's responsibility to read any information or warnings and ensure the product is suitable for their intended use.

This gift promotion is not available to customers from the Isle of Man or Channel Islands.

Offer available to new customers only who purchase their policy directly via the M&S Bank website or over the telephone. Not available to customers buying from a price comparison, affiliate or cashback website.

Not available to customers amending or renewing their existing M&S Motor Insurance policy.

The main policyholder on the insurance policy will receive the free RAC107 Dash Cam. Named drivers, named riders or joint policyholders are not eligible.

Subject to availability. No cash alternative available. We reserve the right to withdraw or replace the offer with a suitable alternative at any time and without notice.
